RESORT OVERVIEW

At Loew's Portofino Bay Hotel at Universal Orlando,® fun gets an Italian accent and everyone gets to have an unforgettable time. Our property is nestled along the water at Universal Orlando, just like the seaside town of Portofino, Italy it's inspired by. And with details like cobblestone streets and towering Italian cypress trees, you'll swear you're actually in Europe. But the magic doesn't stop there. Guests of our Italian-themed hotel in Orlando receive exclusive theme-park benefits that will make your time at Universal Orlando even sweeter, or as the Italians say, dolce. After hours of excitement at the parks, come back to the hotel and take the time to sip an espresso or enjoy a creamy gelato in our Harbor Piazza as you listen to live music. It's the perfect way to end the day. Since we're located bayside, right on the grounds of Universal Orlando, the thrills couldn't be any closer. Loews Portofino Bay Hotel, all the charm of Italy, with Florida sunshine and theme-park fun guaranteed.

As a guest of Loew's Portofino Bay Hotel, you'll also enjoy:

- Complimentary water taxis along picturesque waterways or ride the shuttle bus directly to both theme parks and Universal CityWalk.®
- Universal ExpressSM Unlimited ride access to skip the regular lines in both theme parks all day, a FREE benefit worth up to \$89 per person, per day.
- Early Park Admission to The Wizarding World of Harry Potter™ one hour before the theme park opens.
- Resort-wide charging privileges with your room key card. Use your hotel room key card to charge food and merchandise at Universal Orlando® locations where credit cards are accepted.
- Complimentary delivery of merchandise purchased throughout the resort to your hotel room.
- Complimentary scheduled transportation to nearby Wet 'n Wild® water park, SeaWorld®, and Aquatica.™
- Priority seating at select restaurants throughout both theme parks and enjoy first available seating at select Universal Orlando® and CityWalk® restaurants.
- Universal Orlando® character dining with some of your favorite theme park characters. Have fun as they pose for pictures, sign autographs, and interact with everyone at your table... just wait until you tell everybody back home who YOU had dinner with!
- Golf Universal Orlando Program includes complimentary transportation to the Grand Cypress Golf Club and Windermere Country Club. For more information and reservations, contact the Concierge at 407-503-1200.

Halloween Horror Night:

Universal is offering their spectacular Halloween Horror during our stay. Warning: Some of the shows are for teens, not young children. Check it out here: www.halloweenhorror-nights.com/orlando/index.html.

HOTEL ACCOMMODATIONS

Our property has 750 luxurious guestrooms, including 45 suites, plus three stunning pools, including one decked out with a giant water slide that looks like a Roman aqueduct. Complimentary Wi-Fi throughout the hotel and in the pool areas means you're never out of touch. On the event side, our 42,000-plus square feet of function space makes us a picture-perfect wedding location or the ideal choice for your next corporate function. Take time to dine in one of our authentic Italian restaurants or allow us to bring you a cocktail poolside. Come and see why *Conde Nast Traveler* gave us their coveted Readers' Choice Award for Top 40 Resorts in Florida in 2012 and 2013. And why *Travel + Leisure* magazine honored us with its Top 50 Best Family Resorts in the U.S. and Canada accolade not once but four times.

When making hotel reservations in our room block, please call and refer to the Florida Society of Oral and Maxillofacial Surgeons Annual Meeting to receive the group rate. The rate for single or double occupancy is \$199 per night. **The room block will be released Sunday, September 20, 2015.**

About Our Program

Karin K. Wittich, CAE

Ms. Wittich is the associate executive director of practice management and governmental affairs at the American Association of Oral and Maxillofacial Surgeons. Prior to joining the AAOMS 16 years ago, Ms. Wittich was the practice administrator for an OMS ambulatory surgery center. Her daily involvement with the members of AAOMS, third party payers, federal and state legislators enables her to actively advocate for and work closely with the oral and maxillofacial surgery community.

SATURDAY PROGRAM

Overview of Major Provisions of the ACA

- Insurance & Coverage Mechanisms
- Physician Payment Reform
- Impact on Dental Coverage
- State Exchanges - Marketplace

Practice management and reimbursement models are evolving due to the changes implemented through the Affordable Care Act. This presentation will help you understand the importance of recognizing the changes and potential implications in the oral and maxillofacial surgery office. Highlights to be discussed are alternative payment models, quality reporting requirements, state reimbursement laws, current procedure and diagnosis coding.

SUNDAY PROGRAM

Managing the OMS Practice Beyond 2015

This lecture discusses OMS demographics, practice preferences and challenges, federal initiatives impacting the business of OMS, state influences, practice management, billing and reimbursement. Also includes a Q/A.

We encourage you to bring staff to these important sessions.

Richard A. Mufson, DDS

Dr. Mufson is an oral and maxillofacial surgeon in private practice in North Miami Beach, Florida. A graduate of Temple University School of Dentistry in Philadelphia, PA, he completed his post-graduate residency training at Georgetown University Medical Center in Washington, D.C. He is a Diplomate of

the American Board of Oral and Maxillofacial Surgery. Dr. Mufson has lectured extensively on the topic of HIV/AIDS and other infectious diseases, in addition to other state-mandated courses: *Laws and Rules of Dentistry*, *Medical Errors* and *Risk Management*. He is also Past President of the South Florida District Dental Association and Florida Society of Oral and Maxillofacial Surgeons.

Required Course: *Preventing Medical Errors*

This lecture will satisfy the state-mandated biennial requirement for a course designed to offer providers information relative to the occurrence, prevalence and overall scope of problem of medical errors within our health care system, in addition to methods of studying root cause analysis, patient safety, and prevention and reduction of medical errors and patient harm. Information on risk management, including a discussion of a variety of clinical situations we encounter in our offices on a daily basis, will also be presented.
